

October 7

8 From homework

mean: 29

median: 30

mode: 26 and 32

You can have more than one mode, but only one mean + median.

mean: $25 + 26 + 26 + 26 + 29 + 30 + 30 + 31 + 32 + 32 + 32 = 319$

$$\begin{array}{r} 29 \\ 11 \overline{) 319} \end{array}$$

* 29 is the mean *

2-5: Stem and Leaf Plots

Stem and leaf plots are used to organize data from least to greatest.

- least place values are leaves
- next place values are the stems

* don't forget your key

Homework try # 1, and # 8 on practice skills
